Mother's Day Celebration

We took a moment to honour the incredible mothers in our community. At CGS, education is a journey shared by three vital voices: the student, the mother, and the teacher. You are the "school mothers" and mentors. You nurture curiosity and guide our students through the challenges of the classroom with patience and wisdom. Thank you for being the foundation of our students' success.

Head's Message

Ever-Upright Head: Nazrul's Life and Inspiration for Youth

Kazi Nazrul Islam remains the eternal fountain of Bengali emotion, rebellion. Born as 'Dukhu Mia' in 1899, Churulia, he evolved into the 'Rebel Poet' of Bengali literature and our proud National Poet. As we celebrate his 127th birth anniversary in 2026, his legacy feels more relevant than ever.

Nazrul was far more than a literary figure; he was a living spark of fire against injustice. Through a life marked by poverty and colonial oppression, he demonstrated how to hold one's head high despite the heaviest chains.

"Ever-upright is my head!" — This wasn't just a line from his poetry, but the very essence of his existence.

For today's youth, who often grapple with aimlessness and despair, Nazrul's journey serves as an epic classroom. He teaches us that youth is not just an age, but a fearless state of mind.

In his birth month let's take a vow to read more about his life and literature. Let Kazi Nazrul Islam be our inspiration.

Measles-Rubella Vaccination Campaign 2026

Our school successfully hosted the 'Measles-Rubella Vaccination Campaign 2026' to safeguard our students against infectious diseases. This initiative highlights our commitment to students' health and a disease-free future. We sincerely thank the City Corporation and parents for their seamless cooperation.

Teachers' Training (9th May)

Continuous learning is at the heart of CGS NC. Our faculty participated in an intensive training session conducted by PTI trainers, focusing on modern pedagogical techniques to further enhance the classroom experience.

Parents' Day (Ongoing)

The celebrations aren't over! We are currently for classes PG to observing Parents' Day activities. We invite all parents to remain engaged as we celebrate the vital partnership between home and school.
