Message On World Teachers' Day

We fondly remember all the wonderful teachers who taught us, guided us, and helped shape who we are today. Their valuable lessons, care, patience, and encouragement will always remain in our hearts. Whatever we have achieved in life, their contribution will always be a part of our journey. We would like to thank them for being an unforgettable part of our student life and for inspiring us to become better human beings. We are forever grateful for their guidance and blessings. They will always hold a special place in our hearts.
We should appreciate all our teachers who dedicate their time, knowledge, and hearts to shaping the future and lives of our students. Thank you for your endless patience, guidance, inspiration, and commitment.
Wishing all teachers happiness, good health, happiness, peace, endless joy and the respect and appreciation you truly deserve. Thank you for making a difference every single day!

Teachers' Message

Dear Parents,

This is to inform you that the Test Examination will commence on 12th October 2026.

We kindly request you to pay special attention to your child's academic preparation, attendance, and overall well-being during this crucial period. This examination is particularly important for our SSC candidates, as the result will be an important indicator of their readiness for the upcoming SSC Examination.

We therefore urge you to ensure that your child maintains regular study habits, attends school consistently, and takes proper care of their health. An unsatisfactory performance in the Test Examination may create difficulties in meeting the requirements for appearing in the SSC Examination next year.

Your cooperation and continuous support are highly appreciated.

Thank you.
